j) Description
PLEASE NOTE CHANGES FROM PREVIOUS REQUESTS!

For the FMC/ASTARIS (FMC Idaho, LLC) facility in Pocatello, Idaho, I request a copy of any documents (including all attachments), correspondence, meeting minutes (including handwritten notes), emails and communications between EPA, the facility owners, and the Shoshone/Bannock Tribe regarding the cleanup and closure of the subject facility. This includes all issues related to CERCLA and RCRA including any post-closure care activities and plans and the items listed below. My request includes all weekly status reports. Email messages are to show the author's name and date. I do not request any data validation documents for groundwater monitoring results; however, I DO request copies of all validated groundwater monitoring results. The period of interest is June 30 thru July 13, 2012.

** Internal EPA correspondence on the following programs RCRA & CERCLA for the following topics:

- FMC Pocatello
- Eastern Michaud Flats (EMF) superfund site
- FMC Unilateral Administrative Order
- Pond 16S

** Correspondence, plans and reports to/from EPA & IDEQ on the following topics

- FMC Pocatello
- Eastern Michaud Flats (EMF) superfund site
- FMC Unilateral Administrative Order
- Pond 16S
- Radionuclides
- Slag

** Correspondence, plans and reports to/from EPA and Shoshone-Bannock Tribe on the following topics:

- FMC Pocatello
- Eastern Michaud Flats (EMF) superfund site
- FMC Unilateral Administrative Order
- Pond 16S
- Radionuclides

Commercial

- Slag

**All correspondence, plans and reports to/from FMC Pocatello and EPA Region 10 regardless of topic

** All correspondence, emails, documents, telephone logs on the Independent Review Panel and its members.

** All correspondence, plans and reports to/from FMC Corporation (Philadelphia) and EPA Region 10 regardless of topic

** All correspondence, plans and reports to/from Montgomery Watson Harza (MWH), BlackGreen, American Native Renewables, and EPA Region 10 on:

- FMC Pocatello
- Eastern Michaud Flats (EMF) superfund site
- FMC Unilateral Administrative Order
- Pond 16S
- Radionuclides
- Slag

** All correspondence, plans and reports to/from Hanna & Associates (Integrated Risk Management, IRM) and EPA Region 10 on:

- FMC Pocatello
- Eastern Michaud Flats (EMF) superfund site
- FMC Unilateral Administrative Order
- Pond 16S
- Radionuclides
- Slag

k) Payment

\$150
